At St. John's Episcopal Preschool we gather monthly for Children's Chapel. Chapel is a unique opportunity to pause, give thanks to God, and to celebrate the wonders of our world, such as seasons, nature, and special events in the lives of the families and the school. Faculty members suggest ideas to clergy to inspire connections between the children's work in the classroom and subjects appropriate for discussion in Chapel. The service is held in the Sanctuary. Chapel begins at 9:15 in the morning. Parents can accompany the children from the classroom to the Sanctuary. Please note that the Monday/Tuesday/Wednesday Brown Room children have Chapel in their classroom at 11:15.

All families are welcome!
