## St. John's Episcopal Preschool

### 2019-2020 Early Childhood Educator Series

“Teachers- like children and everyone else - feel the need to grow in their competencies; they want to transform experiences into thoughts, thoughts into reflections, and reflections into new thoughts and new actions.” - Loris Malaguzzi

The Preschool will host a day for observation and dialogue. Educators will have the opportunity to tour the environment while school is in session. This self-guided tour will be followed by conversation with the Head of School and teachers. In the afternoon educators will have time with teachers to explore materials or engage in small groups.
