## 2020-2021 School Year

### Documentation Release:

I hereby grant permission for images of my child's activities at St. John's Preschool to be used by the School for education, outreach, marketing and social media and for training of teachers and the public about early childhood education and this particular program. This permission includes likenesses of my child and our family members, and any school work. School creations will be marked with a copyright symbol.

I understand that these images may appear in forms such as display panels, videos, slides, brochures, written articles, and I agree that I am to receive no compensation for my child's appearance. These images may be used for non-commercial purposes, including charitable fundraising activities in which the school is involved.

I also understand that my child's participation confers on me no ownership rights to the photographs or negatives whatsoever. I also understand the school will invite me to view these images of my child whenever possible.
