

**ST. JOHN'S  
SUMMER  
PROGRAM  
2026**

**SESSION I : JUNE 15 - JUNE 26**  
**SESSION II : JUNE 29 - JULY 10**  
**SESSION III : JULY 13 - JULY 24**

## PRESCHOOL LINKS [ 9:00AM-12:00PM ]

Links offers a gentle entry into the school experience. Nestled away from the energy of other programs, children engage with both new and familiar experiences as they build friendships, form trusting relationships with adults, and explore thoughtfully curated materials. The day flows between indoor and outdoor classrooms, with time intentionally designed for small-group experiences.

## SUMMER CONNECTIONS [ 9:00AM-2:30PM ]

Connections brings together the heart of St. John's Preschool and the timeless fun of summer. The outdoor classroom offers abundant opportunities for inquiry and discovery, supporting children's ideas, questions, and evolving theories. Children engage deeply with materials- including wire, clay, sewing, paper, and light and shadow- while moving at a rhythm that honors rest, with an optional afternoon quiet time.

## SUMMER EXPLORERS [ 9:00AM-2:30PM ]

Explorers centers on community exploration and project work inspired by children's discoveries. Experiences from our outings are translated into creative projects using drawing, painting, sculpture, and construction. Afternoons offer choice time with friends in Connections, as children continue learning through varied languages such as technology, science, nature, cooking, and sewing. An optional afternoon rest time supports a balanced rhythm to the day.
